FALL FRONT LIST
When seven-year-old Jamie falls down a very long hill, he finds himself trapped in a world of strange creatures, harsh landscapes, and near-perpetual darkness. Lost and confused, Jamie is desperate to get home. The nightmares, fears, and all manner of what-ifs that inhabit this shadow world are unfamiliar to him—all except one: the Lairdbalor, Jamie’s personal nightmare, once relegated to his dreams. In this fantastical land, however, the Lairdbalor and all the fears and nightmares of children are very real.

But Jamie’s nightmare is different. It is the sum total of the anger and anxiety that imprisoned him in his former life, and it threatens to consume and rule the nightmare realm, a place where time passes differently. With each slumber, Jamie finds himself inexorably changed. The farther he travels through this terrifying world, the better he understands the one he left behind.
Inspired by Velázquez’s baroque masterpiece, Las Meninas, *The Queen’s Prophet* is an imagined account of the dwarffess Maribarbola of Spain (featured prominently in Velázquez’s painting) and her struggle for survival and self-determination at a time when dwarfs were kept by aristocracy as pets, prophets, and good luck charms.

When the Countess of Walther dies at her German estate, her loyal dwarffess Maria-Barbara is forced to work as a prophet for a traveling magician, who betrays her by selling her to the Queen of Spain. There she becomes Maribarbola, prophet to the Queen, and, her survival at stake, endeavors to outsmart the Spaniards.

Mari’s wits and loyalties are tested as she becomes embroiled in palace intrigue alongside the politically embattled Queen. When Mari’s carefully schemed prophecies dazzle all of Spain, she and the Queen climb to dizzying heights of power, a place as intoxicating as it is dangerous. But even as Mari survives and thrives at the Spanish court, the loss of identity she suffers from living a lie makes her question whether she is really surviving at all.
The infamous Deadbomb Bingo Ray is a high level fixer in the City of Brotherly Love. He’s the man you call when you’ve crossed the line into hopeless and there’s no way back to anywhere.

Three years have passed since Ray burned a hedge fund manager on behalf of a pool of retirees, and now the money man is back for revenge. While Ray unravels the plot and orchestrates some payback of his own, he unwittingly steps into the ultimate high stakes game. Falling in love with the beautiful physicist trapped at the edge of the burn was just bad timing. When the fuse is finally lit, getting killed isn’t high on the list of the worst that could happen in this dark and stylish noir.
"I only knew his name was Ivry Gitlis and he was a violinist, and all he knew was that my name was Sandy. And he had my phone number. And that was what made it exciting. We were strangers who were attracted to each other. It crossed my mind that I had found myself flirting with my father’s worst nightmare—a foreigner, a concert violinist wearing sandals and a cape, an aging bohemian. My father, dear old bourgeois daddy, with a daughter with bizarre ideas of being a poet and even more bizarre ideas of not marrying into wealth, would have been furious to know I was attracted to a gypsy musician."—excerpt from Remembering Paris 1958-1960

Turner Publishing is proud to present another heartfelt memoir from the early life of the novelist, poet, and activist, Sandra Hochman. Following Hochman’s Loving Robert Lowell that revealed the details of her affair with one America’s greatest poets, Remembering Paris 1958-1960 chronicles Sandra’s years before meeting Lowell, her tumultuous marriage to concert pianist Ivry Gitlis at the age of 22, her life as an American expatriate, and finding her creative voice in the City of Lights.
Ever since Amanda could remember, she wanted to be a magician like her uncle Bill. When he came to New York to attend the magic convention, she went with him to the Commodore Hotel and watched while professional magicians from all over the world performed their newest and most exciting tricks. The most thrilling moment of all came when Perry the Magnificent asked Amanda to help him perform a trick on stage, and she took her first step toward her future career.

The author of six novels with three forthcoming from Turner Publishing, Sandra Hochman is a Pulitzer Prize-nominated poet with six volumes of poetry. She also authored two nonfiction books and directed a 1973 documentary, Year of the Woman, currently enjoying a renaissance. Her work has appeared in *The New Yorker*, and she was a columnist for *Harpers Bazaar*. She also ran her own foundation, "You’re an Artist Too" at the Metropolitan Museum of Art to teach poetry and song writing to children ages 7–12 for fifteen years.

JANE BUTEL'S FREEZER COOKBOOK
How to Use Your Freezer for All Its Worth
JANE BUTEL

Jane Butel's 1977 classic on getting the most of your freezer to plan enjoyable meals gets a revised treatment from the queen of Southwestern cuisine and Turner Publishing. This indespensable resource includes 200 recipes.

Jane Butel is the leading international authority on the cuisine of the American Southwest and Regional Mexican cooking. Known for her clear, easy-to-understand recipes and culinary instruction—she has been recognized as the “Best in the US” by Gayot.com and one of the four best Cooking Schools in the World by Bon Appetit magazine.

The power of prayer for spiritual renewal and personal transformation is at the core of all religious traditions. Because Hasidic literature contains no systematic manual of contemplative prayer, the texts included in this volume have been culled from many sources. From the teachings of the Hasidic Masters, the editors have gleaned "hints as to the various rungs of inner prayer and how they are attained."

Hasidism, the Jewish revivalist movement that began in the late eighteenth century, saw prayer as being at the heart of religious experience and was particularly concerned with the nature of a person’s relationship with God. The obstacles to prayer discussed by the Hasidic masters—distraction, loss of spirituality, and inconstancy of purpose—feel very close to concerns of our own age. Through advice, parables, and explanations, the Hasidic masters of the past speak to our own attempts to find meaning in prayer.
Presented in the form of letters from a rabbi to his sons, *Why Judaism Matters* is common sense guidance and a road map for a new generation of young men and women who find Jewish orthodoxy, tradition, issues, and beliefs impenetrable in 21st Century society. By intimately illustrating how the tenets of Judaism still apply in our modern world, Rabbi John Rosove gives heartfelt direction to the sons and daughters of reform Jews everywhere.
What does it mean to become a Jewish woman? This growing up business isn’t always what it’s cracked up to be: It can be complicated and scary and seem impossibly hard. With all the choices and challenges before her, how does a girl become a young Jewish woman?

The JGirl’s Guide is a first-of-its-kind book of practical, real-world advice using Judaism as a compass for the journey through adolescence. This newly updated and expanded survival guide for coming of age explores the wisdom and experiences of rabbis, athletes, writers, scholars, musicians and great Jewish thinkers.

This inspiring, interactive book can help Jewish girls figure it all out. It explores what happens at school and with friends. It shows them how to get along better with their families. It offers them a chance to hear the voices of other girls going through experiences just like theirs.

Now’s the time when girls are thinking: Who am I? What do I believe in? Who will I become? The JGirl’s Guide provides Jewish writings, traditions and advice that can help.
In his fresh and life-giving translation of the Gospels with sparkling commentary, spiritual innovator Thomas Moore strips the Gospels of their theological agendas and reclaims them as a fundamentally new way of imagining human life. He blends scholarship and pastoral guidance to highlight the Gospels’ teachings on earthly, rather than otherworldly, living in which community, compassion, inclusiveness, prayer and healing are key elements. He draws deeply from Greek philosophy, literature and spirituality to craft an accurate and challenging yet accessible translation that, free of religious moralism and dogmatism, is beautifully imaginative and inspirational. Be inspired to live an altogether different kind of life rooted in a more radical kind of love.

*Confessions of a Tattoo Artist*

JONATHAN SHAW

Jonathan Shaw’s *Scab Vendor: Confessions of a Tattoo Artist* is a surreal, multi-generation roller coaster ride through the underbelly of modern culture, charting the course of a life measured by extremes, and all the people, places, and events that shaped that life into a survivor’s tale of epic proportions. In its pages, Shaw takes the reader deep, not only into the recesses of his extraordinary mind and adventures, but also into the strange and magical process of memoir-writing itself.

If truth is indeed stranger than fiction, then, as Shaw’s friend and literary mentor Charles Bukowski once told him, much of this book would have to be lived before it could be written. In that sense, *Scab Vendor: Confessions of a Tattoo Artist* is much more than a fascinating chronicle of a popular outlaw artist’s creative evolution. It is a multicolored, cinematic, modern-day Odyssey, written in blood, ink, and tears—a kaleidoscopic, visionary roadmap to the journey of the human soul.

WALKING PAPERS
THE SANDRA HOCHMAN COLLECTION
SANDRA HOCHMAN

This is a madcap erotic journal of the very separate parts of one woman’s life. It is played out with a great personal intensity, a kind of tape-recorded reality that stuns and amazes upon the sound of her own voice. Fast forward to Juarez, Mexico; reverse to her flamboyant grandfather’s used stageprop farm, or to life in Paris with a hypnotist; hold, for a moment of tormented reflection, on Jason, the nonhusband; then slowly spin forward again, frantic and funny, turn, turn, to everything there is a season . . . . Should the tape chance to break, she bends and splices it together, twists it and sets it to reel on a little further.

Miss Hochman pulls and tugs her heroine—a mother, tapdancer, writer, and partner in an affair that stretches from an ocean beach to real estate on Seventy-second Street—as she is caught to a bizarre parade of men on the hunt in New York City. Her invention, sensuality, and poetic gifts lend to Walking Papers a totally original novelist’s voice belonging, in Diana’s words, to "a woman obsessed with essentials." A woman to be read.

STREAMS
Life Secrets for Writing Poems and Songs
SANDRA HOCHMAN

First published by Prentice-Hall in 1978, Hochman’s approach to teaching is just as unconventional and revelatory today as it was forty years ago.

From the Introduction by Hochman: This is a personal book that I hope will be like a friend. In a simple way I want to tell you some thoughts that I have about writing poetry and songs, and share with you some warm-up exercises for writing that can be used to limber up the mind the same way that dancers limber before a performance. Writing has always been for me a necessary experience—something that I feel compelled to do. If that feeling of wanting to write is inside of you—what I call the Necessary Angel wanting to speak—that writing can be a part of your life experience the way it is part of mine.
SANDRA HOCHMAN COLLECTION

LOVING ROBERT LOWELL

Hochman first met Pulitzer Prize-winning American poet Robert Lowell in 1961 at the Russian Tea Room in New York. She was to interview him for *Encounter* magazine. Hochman was twenty-five and had recently returned from Paris where she had lived with her husband for four years. They were now separated. Lowell was forty-three with plans to leave his wife. Hochman remembers it as the day that changed her life. The two poets fell in love instantly, and before the night was over, they had vowed to stay together forever. In Hochman's first literary work in almost forty years, she writes in startling detail about the torrid and ultimately doomed affair that would follow.
BILLY SMITH AND THE GOBLINS

THE GOBLIN CROWN: BOOK ONE

THE FALLEN STAR: BOOK TWO

ROBERT HEWITT WOLFE

Billy Smith is having a rough first day of high school. The new kid at exclusive Francis Drake Prep, Billy embarrasses himself in front of fiery, beautiful Lexi Aquino. He makes an instant enemy in Kurt Novac, the school’s surly star quarterback. Then suddenly Billy, Lexi, and Kurt are mysteriously transported to an underworld teeming with goblins, strange animal hybrids, and powerful magic—the fact that they’re stuck there is probably Billy’s fault, too. With help from an unlikely goblin leader named Hop, the teens soon discover that goblins can be both fierce and friendly, with their own rich language, culture, and history—a history that foretells of a human arriving to claim the Goblin Crown and lead them to victory against the deadly, invading Hanorians. Could Billy—anxious, awkward Billy—be the mythical Goblin King? Could saving the goblin race be his destiny and the key to getting him, Lexi, and Kurt back home?

SIERRA

AWOL THRILLER: BOOK TWO

RAY ANDERSON

Even in the wilderness, trouble seems to find Karl Bergman. Years after his run-in with a serial killer on the Appalachian Trail, Bergman sets out with his dog, Blazer, on a thru-hike of the Pacific Crest Trail—hoping to return home a better man. But the discovery of a dead body on the outskirts of the Anza-Borrego Desert threatens to embroil Bergman in another violent chain of events with even higher stakes than his previous ordeal. This time his adversary is not just one man as the dead body appears to be linked to a drug cartel using mules to move product from Mexico to Canada. An uneasy alliance with a San Diego narcotics officer makes things more difficult, but when Bergman reconnects with his estranged son Kenny, a sophomore at UCLA, he puts both of them in grave danger that can only be escaped by bringing down the cartel’s operation.

By the time the second scroll arrives, Ben’s interest has begun to be more than professional. For it seems that David, the writer of the ancient scrolls, is in many ways very much like Ben—and he seems to be speaking directly to Ben, across nearly 2,000 years of history. JEFF JOHNSON

Enigmatic, charming, and brutally resourceful, Knotts speed is a man on a mission. He also happens to be dead, but the rumors of his demise have been slightly exaggerated—by the man himself—as the key to his plan.

A problem-solver, a finder of lost people and rare things, and an accomplished criminal, Knotts speed is experiencing Big Love for the first time in his life, and his elaborately orchestrated plot to reunite with his beloved will profoundly affect everyone he meets, including a rudderless, alcoholic piano player; a wealthy, dispassionate doctor; and an amiable-but-desperate cab driver. THE RULE OF BENEDICT
Christian Monastic Wisdom for Daily Living
JANE TOMAINE

It shows us how to use Benedict’s wisdom to build relationships and communities formed by love and respect. THE WORLD WISDOM BIBLE
A New Testament for a Global Spirituality
EDITED BY RAMI SHAPIRO

The World Wisdom Bible is a global spiritual conversation about the nature of life and how best to live it. Drawing on ancient and timeless texts from Christianity, Judaism, Islam, Buddhism, Hinduism, Confucianism, and Taoism, this compendium of sacred texts juxtaposes seemingly divergent teachings to create a spiritual collage of wisdom that crosses religious boundaries, and invites the reader to step beyond the limits of any one faith into a global spirituality. Organized by themes, The Absolute, Justice, Wisdom, Compassion, Spiritual Practice, Ethical Living, and more, The World Wisdom Bible is more than an anthology of diverse teachings; it is a new scripture for those who describe themselves as spiritual independents, spiritual but not religious, and nones. Where conventional Bibles and scriptures speak to believers of one religion or another, The World Wisdom Bible speaks to seekers of every faith and none.
In his fresh and life-giving translation of the Gospels with sparkling commentary, spiritual innovator Thomas Moore strips the Gospels of their theological agendas and reclaims them as a fundamentally new way of imagining human life. He blends scholarship and pastoral guidance to highlight the Gospels’ teachings on earthly, rather than otherworldly, living in which community, compassion, inclusiveness, prayer, and healing are key elements. He draws deeply from Greek philosophy, literature, and spirituality to craft an accurate and challenging yet accessible translation that, free of religious moralism and dogmatism, is beautifully imaginative and inspirational. CITIES OF MEN
A Novel
WILLIAM JENSEN

In 1987, twelve-year-old Cooper Balsam’s mother, Arden, disappears without a trace. Cooper’s father, Percy, a Vietnam veteran struggling with PTSD, doesn’t seem too concerned. “This isn’t the first time. She’s done it before.” As days pass, Cooper begins to act out and withdraw from the world, and his growing animosity toward his father’s ambivalence begins to escalate even as Percy and Cooper begin to actively search for the woman in their lives. From the hills of Southern California, to the deserts of Arizona, and down to the beaches of Mexico, the father and son will look for someone who may not want to be found for reasons they don’t yet understand.
Mourning & Mitzvah gives spiritual insight and healing wisdom to those who mourn a death, to those who would help them, and to those who face a loss of any kind. Mourning & Mitzvah teaches you the power and strength available to you in the fully experienced mourning process.

When the temple stood in the ancient city of Jerusalem, mourners walked through the gates and into the courtyard along a specifically designated mourner’s path. As they walked, they came face to face with all the other members of the community, who greeted them with the ancestor of the blessing, “May God comfort you among the mourners of Zion and Jerusalem.” In this way, the community embraced those suffering bereavement, yet allowed for unique experiences of grief.

NEXT GENERATION JUDAISM
How College Students and Hillel Can Help Reinvent Jewish Organizations
RABBI MIKE URAM

What we’re learning on campus can help the Jewish community build better, smarter and faster synagogues, Federations, and JCCs. The Jewish world is changing before our eyes. The traditional notions of what it means to be a Jew, what Jewish organizations look like, and what Jewish leadership means are no longer working, leaving many Jewish organizations in a struggle for survival. Many Jewish leaders are afraid that this will only get worse as the millennials—the “my way, right away, why pay” generation—begin to enter adulthood. But college campuses are incubators of new and vibrant expressions of Jewish life. With motivation and entrepreneurial spirit, and without the limitations of cynicism or institutional history, students are inventing and reinventing Jewish community, Jewish prayer, Jewish service, and Jewish learning, and Hillel is right there with them. Each chapter of this book explores innovations developed on the University of Pennsylvania campus and shows how they can be applied to synagogues, Federations, and JCCs to help them reinvent themselves so that they are better able to meet the changing needs of American Jews. This is an essential resource for lay leaders, rabbis, cantors, and anyone who wants to build a brighter Jewish future for all Jews and the institutions that support them.

How Jewish Wisdom Can Help You Cope and Find Comfort
RABBI MARC KATZ

Loneliness is pervasive in our society but is rarely addressed. It comes in many forms, from the loneliness of loss to that of sickness; from single life to marriage to divorce. Through sensitivity, compassion, and insight, this book provides the stories and tools we need to begin addressing loneliness in our lives and the lives of those we love. With masterful storytelling, Rabbi Marc Katz uses the pains of our ancestors to show us the unique ways loneliness appears in our lives. Drawing on the stories of Isaac and Rachel, King Uzziah and Tamar, Jeremiah and Honi, Hagar and Aaron, Rabbi Katz helps readers understand the nuances of loneliness in their own lives. He helps them understand that although their pain may feel like an island, others have walked there before them. Thoughtful insights on loneliness also help family and friends have a better sense of how and why their friends, children, parents, and co-workers suffer. Then, using the tools of the Jewish tradition, Rabbi Katz looks at concrete ways as individuals and as community members we may help those who are lonely in our midst. This book is for anyone who is suffering or has suffered from the pain of loneliness as well as those loved ones who stand on the sideline feeling ill-equipped to address the alienation they see.
WHEN you hurt, what does it mean for your faith? Too often church culture and religious individuals suggest that emotional pain shows lack of faith or sin against a punitive God. How ironic—Jesus suffered loneliness, misunderstanding, persecution, and death to meet us at the lowest places and lift us to hope and life with his resurrection. Reframing apparent defeat as the first step in a life of purpose, this book shows how Jesus’s blessings, the Beatitudes, address the paradox of living through suffering on the way to joy. When you feel depressed and anxious or unworthy or ashamed, this book helps you recognize and accept God’s love as Jesus meets you in your suffering. This vital resource features engaging spiritual and devotional practices and group discussion questions ideal for use by individuals on their own, in counseling or in groups. Christians and seekers in emotional pain as well as counselors, clergy, spiritual directors, Stephen ministers, and family members will gain needed insight and guidance for the spiritual journey through suffering. Readers will discover how Jesus’s blessings convert emotional suffering from a source of shame to a resource for faith.
**LAND OF THE AFTERNOON SUN**

*A Novel*

**BARBARA WOOD**

New York Times bestselling author Barbara Wood’s latest novel follows a disinherited English baron and a young New York heiress who marry and move West to build an agricultural empire in Palm Springs in the 1920s when it was just a budding town on the edge of the Mojave Desert. It’s a saga about ambition on both large and small scales and the rapidly modernizing world as the harsh, sun-drenched landscape transforms from a Native American haven to the playground of Hollywood’s rich and famous.

*Land of the Afternoon Sun* is also the story of a woman finding her own personality and strength in the West against a breathtaking desert landscape that changes constantly and shows its deadly side in poisonous snakes, flash floods, and sand storms, with dramatic moments of forbidden romance, reversals, treachery, betrayal, and, ultimately, triumphs.

In the trilogy’s heartwarming conclusion, Marcella must learn to balance new friendships, promising suitors, and life as a modern working girl with the expectations of her tradition-bound family, all against the backdrop of a looming economic depression and a changing world. Along the way, she unearths a devastating family secret that shakes her to her core and tests the boundaries of her love, loyalty, and faith.
**LEOPOLD**

*DR. RUTH K. WESTHEIMER*  
and PIERRE LEHU  
Illustrated by SUZANNE BEAKY

*Leopold* is an uplifting parable about a turtle overcoming his fears, as told by Dr. Ruth Westheimer, with beautiful, hand-painted illustrations. Dr. Ruth’s grandson, Ben, is afraid to join the soccer team. To help out, she tells him the story of Leopold the Turtle, who always stays on the shore. It terrifies him to go join the other turtles and play in the water and sun on the rocks. Leopold just can’t get out of his shell, and the longer he waits, the more he starts to doubt. Even though Leopold feels quite alone, he stays on the riverbank where it’s safe. But Freddy the Frog is a little concerned about Leopold and asks him to join them in the river. Leopold has to choose whether to brave the unknown and join his friends or to stay lonely and remain safe on land. In this charming, rhyming tale of a turtle too afraid to set foot in the river, Leopold proves that facing your fears can set you free.

MEDIUM HERO
And Other Short Stories
KORBY LENKER

Orby Lenker's first book features twenty-seven stories culled from his fifteen years as a solo-touring indie artist. These stories are as colorful as his titles suggest—“Rat's Dude”, “Manboy and the Mafia Table”, “Catlady”—and flourish under his descriptive, empathetic pen. From a romantic-encounter-turned-family-crisis, to a humorous eulogy for his recently deceased piano teacher, to an unlikely visit with a convicted felon in a California desert, he has distilled an unusual life into a few potent vignettes that you will read more than once.

Up to this point in his life, Korby has been a professional singer-songwriter, traveling around by himself, playing songs for small audiences, and selling CDs out of a suitcase. Occasionally there have been moments when the light shined particularly bright, but mostly it’s just been him and a guitar, making music in living rooms and clubs and the occasional concert hall.

He has met a lot of people, most of whom leaned—like him—toward the fringe side of the social spectrum. He’s written some of them into stories—hunched over a laptop in the backseat of a touring van, or in the lobby of a Best Western, or on the cracked vinyl couch of a rock club’s green room, poking a keyboard with a pair of sweaty pointer fingers.

THE JOHN LE BRUN SERIES
NEW BOOK: The St. Lucia Island Club
BRENT MONAHAAN

Once again, the shrewd detective must capitalize on his “outsider” status to stay several steps ahead of the locals, many of whom seem to harbor dark motives. Is the culprit one of the white landowners the exclusive St. Lucia Island Club counts among its membership; the descendants of former African slaves said to inhabit the island’s inland jungles; or someone else entirely? As the body count rises, John and Lordis race to uncover St. Lucia’s deepest mysteries, including secret identities, long-held rivalries, and who stands to profit most from the island’s future. The St. Lucia Island Club paints a vivid portrait of the Caribbean island’s scenic beauty and complicated history at the turn of the twentieth century.

ME, MYSELF & GOD
A Theology of Mindfulness
RABBI JEFF ROTH

Many of our human existential struggles stem from the sense of disconnection, alienation, and loneliness that comes from a fragmented view of reality. The typical concept of “self” creates a profound sense of isolation from other beings, leaving us feeling lost and hopeless. But the practice of mindfulness, combined with the teachings of Torah, offer a direct path to liberate ourselves from alienation, awaken to the truth of the present moment and create a new relationship with God. Drawing on the insight and audacity of Jewish mystics, and rooted in a rich understanding of Torah, Rabbi Jeff Roth helps readers overcome this sense of separation and reconnect with a more harmonious flow of life. He equips spiritual seekers of all faiths—or none—with powerful techniques rooted in Jewish mystical practices: using the raw material of sacred texts as building blocks for the construction of new worlds, and experiencing the present through mindfulness meditation and loving attention to each moment. By letting go of our old notions of reality, we can recognize the undivided nature of the world and enter into a transformative divine awareness.

PRAYING THE BIBLE
Finding Personal Meaning in the Siddur
RABBI MARK H. LEVIN

What is the mystery of the Jewish people? How has Jewish spirituality triumphed over times of persecution as well as the enticements of assimilation? Out of the depths of Jewish despair, the rabbis of the first century and after developed a restorative prayer tradition that has invigorated the Jewish people for two thousand years, in both flourishing environments like the Golden Age of Spain and times of persecution like the Nazi Holocaust. The problem is that most contemporary Jews are unaware of the power residing in their spiritual treasure chest. Praying the Bible is the key to opening the treasure chest. It explores and explains the prayers we read and gives those prayers new meaning. It illuminates the Jewish prayer book as churning with the existential realities of human life and the struggles of the Jewish people. It places the praying person in the living covenant with God, showing how the prayer book can address individual life circumstances with reference to both parallel historical events and daily realities. It provides insights that resonate equally with lay people eager to add depth and meaning to their prayer lives and rabbis looking for engaging sermon material.

THE DOCTOR WILL SEE YOU NOW
Recognizing and Treating Endometriosis
TAMER SECKIN, MD

Endometriosis materializes when the endometrium—the tissue that lines the inside of the uterus—sheds, but does not exit a woman’s body during her period. Instead, it grows outside of the uterus, spreading to organs and nerves in and around the pelvic region. The resulting pain is so physically and emotionally insufferable that it can mercilessly dominate a woman’s life. The average woman with endometriosis is twenty-seven years old before she is diagnosed. It is one of the top three causes of female infertility. The pain it emits can affect a woman’s career, social life, relationships, sexual activity, sleep, and diet. It is incurable, but highly treatable. Unfortunately, though, it is rarely treated in a timely manner, if at all, because of misdiagnoses and/or a lack of education among those in the medical community.
